Open my eyes so I can see, Open my ears so I can hear
Em7 Asus Em7 Asus Em7
Open my mouth, that I may boldly proclaim the cross

C D Em7
You became my stand in, once for all a sacrifice
C D Em7
Becoming sin for people past and present and our children
C D Em7
You were guilt for me, then rose in victory
C D
That I would know the love of my father & of my king

C D Em7
Now we are your children, by the blood free from all wrath
C D Em7
Full of resurrection, power over demons, death, disease
C D Em7
We live for you glory, display your splendor in this earth
C D
Let every knee bow down and tongue shout out
