*Vs.*        **G**  
While I draw this fleeting breath,    when my eyes shall close in death,  
              **D**                        **G**                                        **D**                                        **G**  
When I soar to worlds unknown,    and see Thee on Thy judgement throne,  
              **G**    **D**        | **C**                        | **C**  
Rock of Ages, cleft for me,        let me hide myself in Thee.

*Chs.*        **G**    **D**    **C**  
You alone save me  
                  **G**    **D**    **C**  
Brokenness is all I bring  
                  **G**        **D**        **C**  
You resurrect and You redeem  
                  **G**    **D**    **C**  
You alone save me
