

On the road to beautiful

Music and Lyrics by Charlie Hall

F C
I crumble at your kiss and grace

F C
I'm a weakling in the dust

F Am
Teach me how to cling to you

G G
With all my life and all my love

C Am Gsus F2
Father come to me and hold me up cause I can barely stand

C Am Gsus
My strength is gone and my breath is short and I can't reach out my hands

F2
But my heart is set on a pilgrimage toward heavens own bright king

C Am Gsus F2
So in faltering or victory I will always sing

C Am Gsus F2
You're my portion in this life, You're my strength now in my fight

F C G F C G
To you I pledge my heart, In the pain and in the dark, I'll love you

F C
On the road to beautiful

F C
My seasons always change

F Am
But my life is spent on loving you

G
To know you in your power and pain
