

Bloom Again

A A/F A/G A F A/G A
Crying seems to hurt me, but it's alright to cry

A A/F A/G A F A/G A
You have been so strong now, your tears will turn to wine

A A/F A/G A F A/G A
Life seems so brittle, landing upside down

A A/F A/G A F A/G F
It seems to make us fragile, and bares upon us now

Pre-Chorus

C G F
Oh the leaves are falling

C G F
Winter is now here

C G F
The spring is coming

C G F
And you can bloom again

Chorus

C Am G F
The beauty of,

C Am G F
The ash of love,

C Am G F
When you emerge,

C Am G F
You are more beautiful (I am more beautiful), bloom again

Vs.

A A/F A/G A
Some storms leave the beauty,

A A/F A/G A
Some storms leave the thorns

A A/F A/G A
Compassion pours from heaven,

A A/F A/G A
Mercy every dawn

A A/F A/G A
Somewhere in this whirlwind,

A A/F A/G A
Somewhere in this crowd
