

Scenes

Vs.1

C#m A F#m
Chill and cold and flakes of snow, ice and sleet, frost and cold
C#m A F#m
Each storm cloud and thunder bolt, lifts my mind to You
C#m A F#m
Every work and every power, every second of every hour
C#m A F#m
Fall of dew and sweet rain showers, lifts my mind to You
C#m A F#m
Summer wind, fire and heat, autumn leaves and blooms of spring
C#m A F#m
Ocean waves and mountain streams, lifts my mind to You

Chorus (2X)

E B
I see You in every scene, I bet You are thinking about me,
C#m A
I have such a short memory so You keep reminding me of You

Vs.2

As I lay me down to sleep, as I walk on city streets
As I laugh with friends and feast, it lifts my mind to You
As my children play and run, in the news with wars and guns
In the church where songs are sung, it lifts my mind to You
Deep inside the beggar's eyes, as for sweet love I fight
On the radio at night, it lifts my mind on You

Bridge

C#m A F#m A
C#m A F#m A
Painting pictures of your love, You lift my mind up, reminding me of You
My heart comes alive
