

The Second Alive

Vs.1

Dm Bb
We must learn to see without our eyes
Dm G
We must learn to hear without our ears
Dm Bb
We must learn to feel without our hands
Dm G
And there is something greater

Pre-Chorus

Dm Bb
It's the second alive, it's the second alive,
Dm G
It's the second waking up

Chorus

D Bb
Let go let go and come to life
G C
Take a walk in the burning heart of God
D Bb
We come alive when we lose our lives
G C
Take a walk in the burning heart of God

Vs.2

Now the Spirit opens up your eyes
So let your heart come listen
Come and open up your hands
This God is greater

Bridge

D vamp...
I come alive every time that I let go
I cling to You as I walk into the unknown
And as I'm walking I am sure that I am not Alone
Letting go, letting go
