Bridge A:

A Bsus
Now I'm up to my toes, I'm up to my ankles,
C#m E/G#
and I'm up to my waist, I'm up to my neck (repeat as led)

A Bsus C#m E/G#
Deeper, deeper, deeper in love with you, deeper, deeper, deeper in love

Bridge B:

A Bsus
I built a palace round my heart and would not let you have a part
C#m E/G#

Now come dismantle every room, widen it and make it bloom

A Bsus

You're healing and rebuilding me, and my affections rise to sing

C#m E/G#

That everywhere the river flows, everywhere the river flows,

A Bsus

Bringing life, and bringing hope, everywhere the river flows

C#m E/G#

Bringing life, and bringing hope, everywhere the river flows
