

# Yesterday Is Gone

Lyrics and Music by Charlie Hall

Vs1

C Am F  
Wash me clean in your great love, and in your mercy  
C Am F  
Make me clean just like the snow, pure and white  
C Am F  
I have trampled on your grace, in my folly  
C Am F  
Place your hand upon my heart and make me right

Pre:

F G F G  
I'm turning around, I'm turning around, I'm turning around

Cho:

F G Am C  
Yesterday is gone and You've forgiven all my wrongs  
F G Am C  
You fill my heart with songs, yesterday is gone  
F G Am C  
Let these broken bones rejoice and sing an anthem strong  
F G Am  
You fill my heart with songs, yesterday is gone

Vs2:

C Am F  
Let my broken life be loud and sing an anthem

Hand me back the holy joy of my salvation  
C Am F  
In your presence there is life so bring me home

I'm chasing after your heart, I'm after your heart
